Dear FCC:

I really like the simplicity and low expense of having a Tracfone, mainly
for personal protection if needed, because it is a convenient and easy to
afford plan, unlike other cell phone systems....Please reconsider the
added expense you would like to impose on Tracfone and their customers.
I wouldn't have a cell phone if it weren't for the low cost of
Tracfone...

Thank you for your prompt attention to this matter. Please provide a
written response indicating the status/resolution of this matter.

Very truly yours,
